

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Floyd Edwards v Visteon Corp**  
Docket No. **275778**  
L.C. No. **06-612291-AA**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal is DISMISSED for lack of jurisdiction since appellant filed the appeal before the Wayne Circuit Court entered an order dismissing the administrative appeal. MCR 7.204(A) and 7.204(A)(1)(a). Even if appellant had claimed the appeal after the entry of the order, this Court would still lack jurisdiction since the circuit court was sitting in review of a decision from the Department of Civil Rights. MCR 7.203(A)(1)(a).
